

Architectural Guide North and Centre of Portugal

219 GPS Mapped Projects

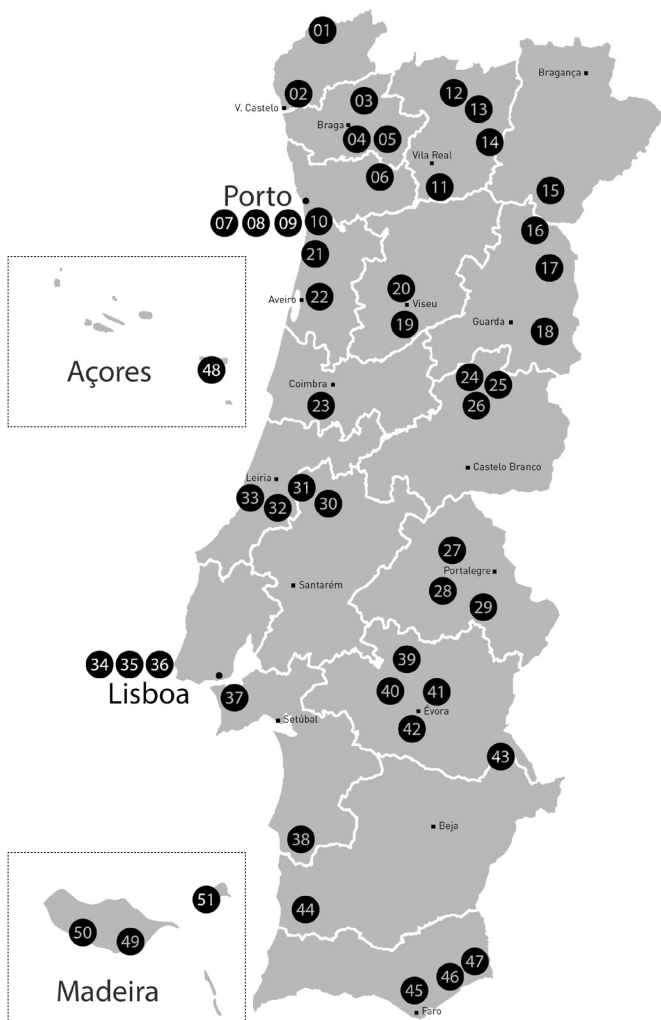

Architectural Guide South and Islands of Portugal

288 GPS Mapped Projects

Architectural Guide Rehabilitated Buildings and Spaces

154 GPS Mapped Projects

Recommended Hotels 2015-2016

The recommended hotels by the project *guiasdearquitectura* were selected, to be our partners, because they show some specifics that may be of interest to architecture tourists.

The selection criteria were based on the following points: architectural quality, design quality, patrimonial value, quality of service, offering a differentiated service and proximity of published works.

In each district we suggest some accommodation options (which have some of the items listed or even all) that may be useful in the preparation of trips.

Hotéis Recomendados 2015-2016

*Os hotéis recomendados pelo projecto *guiasdearquitectura* foram seleccionados, para serem nossos parceiros, por evidenciarem algumas especificidades que poderão interessar aos turistas de arquitectura.*

Os critérios de selecção assentaram nos seguintes pontos: qualidade arquitectónica, qualidade de design, valor patrimonial, qualidade do serviço, oferta de um serviço diferenciado e proximidade das obras publicadas.

Em cada distrito sugerimos algumas opções de alojamento (que apresentam algum dos pontos enumerados ou mesmo todos) que poderão ser úteis na preparação das viagens.

ARCHITECTURAL TOURISM IN PORTUGAL

The Architectural Guide Project is innovative and conciliates both online and offline tools, with the intent to foment and promote the Architectural Tourism in Portugal.

GUIAS DE ARQUITECTURA .COM

A platform with a selection and search service by location, author, date and function.

Provides constant content updates, so that you can view the most recent projects built in Portugal.

Download our weekend routes suggestions and get to know the best Portuguese contemporary architecture.
